Fine Structure of the Nervous System: Neurons and Their Supporting Cells PDF

by Alan Peters : **Fine Structure of the Nervous System: Neurons and Their Supporting Cells**

ISBN : #0195065719 | Date : 1991-01-15

Description :

PDF-a2d65 | This book represents the most complete and authoritative description on the fine structure of the nervous system available in a single volume. Beginning with background material on the neuron, the book then examines specific portions of the nerve cell, and of the various supporting cells. Structure is first described in a general fashion, followed by detailed coverage of the fine structure of each... *Fine Structure of the Nervous System: Neurons and Their Supporting Cells*
