Description :

PDF-8eb68 | The French tank corps was an essential part of the French army from 1917 onwards, yet its history has been strangely neglected in English accounts of the Western Front – and that is why Tim Gale’s meticulously researched history is such a timely addition to the literature on the First World War. Using information derived from the French military archives at Vincennes, much of which has nev... *French Tanks of the Great War: Development, Tactics and Operations*
