ISBN : #0073402753 | Date : 2013-01-07

Description :

PDF-aa6d7 | The seventh edition of General Chemistry continues the tradition of presenting only the material that is essential for a one-year general chemistry course. It strikes a balance between theory and application by incorporating real-world examples; helping students visualize the three-dimensional atomic and molecular structures that are the basis of chemical activity; and developing problem-solving a... *General Chemistry: The Essential Concepts*
