Description :

PDF-e5682 | Many people shy away from preparing a living will or health care power of attorney, perhaps because it's difficult to ponder death, or they aren't sure what their end-of-life wishes are, or don't know how to go about doing it. But taking some time to think about what kinds of medical treatment you would or wouldn't want if you were unable to speak for yourself is can be a blessing for your loved o... *Harvard Medical School Living Wills: A guide to advance directives, health care power of attorney, and other key documents (Harvard Medical School Special Health Reports)*
