Description :

PDF-79e4e | The definitive book on High Line art, the public art program on the High Line, one of the most popular destinations in New York City. High Art surveys the first five years of art on the High Line, the unique elevated park in New York City created through the repurposing of an abandoned railway line. Since 2009, when the High Line was opened to the public, nineteen million visitors have been witness... *High Art: Public Art on the High Line*
