Description :

PDF-471b1 | High Intensity Interval Training (HIIT) is now widely acknowledged to be the single most advantageous form of exercise for a wide range of fitness goals. When compared side by side to other forms of cardiovascular training, HIIT repeatedly comes out on top. Not only that, but it does so in a fraction of the time when compared to continuous cardio training or steady state cardio. With HIIT, you w... *HIIT - High Intensity Interval Training Explained*
