Description :

PDF-5d488 | Texas dance halls are iconic structures that have played a prominent role in the state's culture from its earliest stages. They became central institutions in the earliest European settlements and provided these immigrant communities with a common, central space in which to build new ways of life in a new land. The settlement patterns of the mostly German, Czech, Polish, and other central Europe... *Historic Dance Halls of East Central Texas (Images of America)*
