ISBN : #0521514061 | Date : 2009-11-30

Description :

PDF-c2493 | This investigation proposes a conceptual framework for measurement necessary for an analysis of household finance and economic development. The authors build on and, where appropriate, modify corporate financial accounts to create balance sheets, income statements, and statements of cash flows for households in developing countries, using an integrated household survey. The authors also illustrate... *Households as Corporate Firms: An Analysis of Household Finance Using Integrated Household Surveys and Corporate Financial Accounting (Econometric Society Monographs)*
