ISBN : #030906371X | Date : 2000-09-15

Description :

PDF-2b0cf | Incineration has been used widely for waste disposal, including household, hazardous, and medical waste--but there is increasing public concern over the benefits of combusting the waste versus the health risk from pollutants emitted during combustion. Waste Incineration and Public Health informs the emerging debate with the most up-to-date information available on incineration, pollution, and huma... *Waste Incineration & Public Health*
