Description :

PDF-3ec97 | It is widely recognized that online and e-learning is no longer an exclusive approach used only in distance education and in isolation from traditional education programmes. A real difficulty facing educators and trainers is how to integrate these new learning methods and embed them in established and existing forms of learning, teaching or training. This book forms a serious, in-depth study of th... *Integrated E-Learning: Implications for Pedagogy, Technology and Organization (Open and Flexible Learning Series)*
