Introduction to Geometry PDF

by H. S. M. Coxeter : **Introduction to Geometry**

ISBN : #0471504580 | Date : 1989-03-09

Description :

PDF-e5488 | This classic work is now available in an unabridged paperback edition. The Second Edition retains all the characteristics that made the first edition so popular: brilliant exposition, the flexibility permitted by relatively self-contained chapters, and broad coverage ranging from topics in the Euclidean plane, to affine geometry, projective geometry, differential geometry, and topology. The Second... *Introduction to Geometry*
