Introduction to Robotics in CIM Systems (5th Edition) PDF

by James A. Rehg : **Introduction to Robotics in CIM Systems (5th Edition)**

ISBN : #0130602434 | Date : 2002-03-18

Description :

PDF-627d9 | Written from a manufacturing perspective, this book takes readers step-by-step through the theory and application techniques of designing and building a robot-driven automated work cell—from selection of hardware through programming of the devices to economic justification of the project. All-inclusive in approach, it covers not only robot automation, but all the other technology needed in th... *Introduction to Robotics in CIM Systems (5th Edition)*
