Introduction to Vector Analysis PDF

by Harry F. Davis : **Introduction to Vector Analysis**

ISBN : #0697059219 | Date : 1991-01-01

Description :

PDF-49aeb | Focusing on vector analysis, this book aims to meet the professional needs of the engineer or scientist, and to give the mathematician an understanding of the three-dimensional versions of the theorems of higher geometry. Concepts are described geometrically and then examined analytically, allowing the reader to visualize a concept before it is formally defined.... *Introduction to Vector Analysis*
